I understand that skiing in its various forms, including snowboarding, involves risks, dangers, and hazards that may cause serious personal injury or death and that injuries are a common and ordinary occurrence. Risks include, but are not limited to, changes in terrain, weather and snow surfaces, ice, moguls, bare spots, rocks, stumps, debris, fences, posts, trees, lift equipment and towers, the operation of chairlifts, and chairlift loading, riding, and unloading operations, including the presence or absence of restraint bars on the chairs, light poles, signs, buildings, ramps, roads and walkways, terrain features including rails, boxes, table tops and other jumps, including their height, the location of the start point, and the angle of their approaches and the angle and length of their take-off ramps and landing areas, and other terrain features, padded and non-padded obstacles, snowmaking, grooming, and snowmobile equipment and operations, and collisions with other persons and other natural and man-made hazards, including collisions with obstacles adjacent to and off the skiable terrain, such as snowmaking pipes, hydrants, guns, wands, and other snowmaking equipment, rocks, and trees, and improperly-adjusted and malfunctioning equipment. I acknowledge the risks in the sport of skiing can be greatly reduced by taking lessons, abiding by the Skier Responsibility Code (known as Your Responsibility Code), obeying the Wisconsin Skier Safety Act, and using common sense.
