Choose Your Skier Type: Selecting Your Skier Type is Your Responsibility!

Your skier type, height, weight, age and ski boot sole length are used by the shop technician to determine the release/retention settings of your ski bindings. It is important to provide accurate information. Inaccurate information may increase your risk of injury.

Consult the following descriptions to select your Skier Type.

Type I - Ski Cautiously

- Prefer slower speeds.
- Prefer cautious skiing on smooth slopes of gentle to moderate pitch.
- Favor lower than average release/retention settings.
- Prefer an increased risk of inadvertent binding release in order to gain releasability in a fall.
- Entry-level skiers uncertain of their classification.

Type II - Ski Moderately

- Prefer a variety speeds.
- Prefer to ski on varied terrain.
- Skiers not classified as either Type I or Type III.
- Favor average release/retention settings appropriate for recreational skiing.

Type III - Ski Aggressively

- Normally ski at faster speeds.
- Prefer fast and aggressive skiing on slopes of moderate to steep pitch.
- Prefer higher than average release/retention settings.
- Prefer decreased releasability in a fall in order to gain a decreased risk of inadvertent binding release.

If from experience you have been unsatisfied with the release/retention settings that result from your normal skier classification, or if you have some other special concern, you may wish to select lower or higher skier classifications [(Type -I) or (Type III+)] or select skier type designations that are different for twist and forward lean. Mention your dissatisfaction to your binding technician.

(Type -I) is for skiers who desire lower release/retention settings than Type I and will further increase the risk of inadvertent binding release in order to gain increased releasability in a fall.

(Type III+) is for skiers who desire higher release/retention settings than Type III and will further decrease releasability in order to gain decreases risk of inadvertent binding release.

B. RELEASE OF LIABILITY.

I understand there are risks, dangers and hazards associated with the sport of skiing in its various forms for which this equipment is to be used, which may result in serious personal injury or death and that injuries are a common and ordinary occurrence. Risks include, but are not limited to, changes in terrain, weather and snow surfaces, ice, moguls, bare spots, rocks, stumps, debris, fences, posts, trees, lift equipment and towers, the operation of chairlifts, and chairlift loading, riding, and unloading operations, including the presence or absence of restraint bars on the chairs, light poles, signs, buildings, ramps, roads and walkways, rails, boxes, corrugated pipes, cylinders, dance floors, wall rides, rollers, and table tops and other jumps, including their height, the location of the start point, and the angle of their approaches and the angle and length of their take-off ramps and landing areas, and other terrain features, padded and non-padded obstacles, snowmaking, grooming, and snowmobile equipment and operations, and collisions with other persons and other natural and man-made hazards, including collisions with people and obstacles adjacent to and off the skiable terrain, such as snowmaking pipes, hydrants, guns, wands, and other snowmaking equipment, rocks and trees, and improperly-adjusted and malfunctioning equipment. I acknowledge the risks in the sport of skiing can be greatly reduced by taking lessons, abiding by the Skier Responsibility Code (known as Your Responsibility Code), obeying the Wisconsin Skier Safety Act, and using common sense.

In downhill skiing, I understand the boot/binding system is designed to reduce the risk of certain injuries to the lower leg. It will not release at all times or under all circumstances where a release may prevent injury, nor is it possible to predict every situation in which it will release. I understand the boot/binding system will not reduce the risk of injury to my knees or other parts of my body. I further understand the boot/binding system does not have a backward release capability and will not release or protect any part of my body in the event of a backward fall. I therefore understand that the boot/binding system **CANNOT GUARANTEE MY SAFETY.**

In consideration of the rental of the equipment to me by Mt. La Crosse, Inc., **I HEREBY RELEASE AND FULLY DISCHARGE Mt. La Crosse, Inc., its owners, officers, shareholders, agents and employees (collectively the "MT. LA CROSSE RELEASEES") from any liability resulting from any personal injury to myself, including death, which is caused by any NEGLIGENT ACT OR OMISSION of any MT. LA CROSSE RELEASEE, with respect to:**

- the selection, installation, adjustment, inspection, maintenance, repair or rental of the equipment;
- instructions given or not given to me concerning the equipment or its use;
- the design, layout, location, construction, inspection, or maintenance of trails, ski runs and slopes, including their grooming and surface conditions;
- the design, layout, location, construction, inspection, or maintenance of terrain features, including rails, boxes, table top and other forms of jumps, including the height and location of the starting point and the angles and lengths of their approaches, and the angles and lengths of take-off ramps and landing areas;
- grooming, presence of snowmaking, snowmobile operations, the operation of chairlifts and surface lifts, and chairlift and surface lift loading, riding and unloading operations including the presence or absence of restraint bars;
- the padding or non-padding of natural and man-made obstacles, barriers and hazards;
- the posting or failure to post warnings and signs, and the construction of or failure to construct fences and other barriers, including the selection of the fencing/barrier materials; and
- the classification and labeling of trails and ski runs.

I understand that, for a fee of \$25.00 in addition to the normal rental price, Mt. La Crosse offers an optional rental agreement that does not require me to sign a release of liability. In signing this Release of Liability, I acknowledge I am aware of this option offered by Mt. La Crosse and hereby waive my right to purchase the same.

In accordance with Wisconsin law, nothing in this Release of Liability should be construed as releasing, discharging or waiving any claims I may have for reckless or intentional acts on the part of any MT. LA CROSSE RELEASEE.

In the event I am signing as a parent or guardian of a minor, I represent I have full authority to do so, realizing this Release of Liability is binding upon the minor as well as myself.

I HAVE CAREFULLY READ THIS RELEASE OF LIABILITY AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT BY SIGNING THIS RELEASE OF LIABILITY, I AM WAIVING CERTAIN LEGAL RIGHTS FOR MYSELF AND/OR MY CHILD, INCLUDING THE RIGHT TO SUE MT. LA CROSSE, INC., ITS OWNERS, OFFICERS, SHAREHOLDERS, AGENTS OR EMPLOYEES FOR CERTAIN ACTS OR OMISSIONS.

CAUTION: READ BEFORE SIGNING!
THIS DOCUMENT AFFECTS YOUR LEGAL RIGHTS AND WILL BAR YOUR RIGHT TO SUE!
